

Struggling to Pay Your Gas & Electric Bill?

Grants for energy efficiency measures in your home

Oxford City Council is now able to offer grants for energy saving measures such as cavity wall and loft insulation, efficient heating controls, internal solid wall insulation and much more¹

- You do not have to be over 60
- You do not have to be in receipt of a means tested benefit
- To qualify your fuel bills must be more than 10% of your annual income²

For more information and to apply for a grant, please contact the Energy team on 01865 **252197** or you can email ltompson@oxford.gov.uk

¹ Limited offer, while funds last. You must live in Oxford. Restrictions Apply. If you are not on a low income we may still be able to help you through other available grants and discounts.

² A test of resources will apply.
